

OUR ACCOMMODATION OFFERS

Tourist hostels

Located 300 to 700 meters from the Leisure Center. Two houses operating year-round with a total of 110 beds, lounge and outdoor fireplace – ideal for school classes, groups, and gatherings of friends.

Wooden cabins

Located 300 meters from the Leisure Center, next to the tourist hostel. 48 beds in 6 rooms, with a shared rain shelter and outdoor bathroom facilities.

Camping

For tents and caravans, in a shaded area with a dedicated bathroom block, fireplaces, benches, and electricity.

Apartments

Independent family houses in the village for families or groups of 2–8 people, featuring a private yard, fully equipped kitchen, 2–3 bedrooms, and a common area.

IF YOU GET HUNGRY...

Our à la carte restaurant is accessible with a Leisure Center entrance ticket. Overnight guests can request a buffet breakfast (no entrance ticket required for breakfast). We offer budget-friendly menus for groups. On busy days, we provide additional dining locations and selections.

nature!

Our energy
100%
from renewable sources
electricity · heating
cooling · hot water

János Handó and his wife, Eszter – the dreamers, creators, and developers of Ladybird Farm – are experienced travelers. Their goal is to lure every visitor back to nature, to feel the fresh air, to learn the wisdom of our ancestors, and to spend their free time actively, learning through play. All this in harmony with nature.

Ladybird Farm: the home of fun

- accommodation: total capacity of 200 people in tourist hostels, apartments, and campsites
- catering: home-style meals and flexible service in our restaurants
- programs: more than fifty selectable programs and over 100 play facilities
- event venue: outdoor covered barn, conference rooms, team building for up to 1500 people

The Leisure Center

- Hungary's unique, giant indoor slide and play empire.
- Adventure cave (8-meter climbing walls, mini-bowling, jumping mats, skill and creativity-enhancing games)
- Dozens of outdoor and indoor games, jumping hills, giant labyrinth, water park, outdoor slides, sponge ball gun barn, and old machine park
- Demonstration farm: animal petting, milking cows, and animal care programs
- Red Letter Days: craft, farming, tradition-preserving, and nature education programs
- Showcasing and putting into practice dozens of environmentally conscious solutions
- Electric go-kart track available independently

General information

- open more than 280 days a year
- advance booking is recommended for groups
- we undertake full event organization
- significantly accessible facility
- free parking
- 1500 m² air-conditioned indoor play area on 13 hectares

NATIONWIDE UNIQUE ATTRACTIONS AND FUN YEAR-ROUND!

More than 100 types of attractions, dozens of educational play opportunities, and themed programs every weekend.

At Leisure Center, we only develop attractions that do not consume energy, or if they do, we generate it ourselves from renewable sources!
